SITOR fuse link G1 160A,1000VAC 3NE3224 size NH1, rated current 160A, rated voltage 1000V, type of voltage AC, rated breaking capacity 100kA, operational class aR (sub-range converter protection), design indicator front indicator, SITOR fuse link, with slotted blade contacts, NH1, In: 160 A, aR, Un AC: 1000 V, front indicator Fuses for the high requirements in photovoltaic applications. Siemens photovoltaic fuses are specially designed to protect PV modules and ensure high system availability over the entire service life of the PV system. The fuses have a high DC rated voltage and withstand extreme temperature fluctuations without damage. All Siemens photovoltaic fuse systems therefore comply with the IEC 60269-6 standard. Above all, the photovoltaic fuses are characterized by: 1. Reliable protection of the modules and the module connection cables in the event of reverse currents. 2. Fulfillment of the UL standard UL 2579 (for IEC cylinder fuses). 3. Safe disconnection in the event of residual currents, thereby reducing the risk of fire from DC arcs. 4. Safe disconnection when the fuse holder / fuse base is open. 5. Long service life despite frequent and strongly changing load currents. For the safe, efficient electrical infrastructure in buildings and industry, Siemens offers a comprehensive portfolio of protective switching, measuring and monitoring devices, distribution systems, switches and socket outlets.

**YOUR ADVANTAGES**

**WORLDWIDE TRADE**  
Corporate video eibmarkt®

**99% CUSTOMER SATISFACTION**  
> 500,000 customers worldwide

**DHL TRACK & TRACE**  
Shipment tracking

**COMPLAINTS HANDLING**  
Obliging and 100% safely

**25 YEARS OF EXPERIENCE**  
In worldwide mail order

**ORDER LIVE CHAT**  
With order history

**SHORT DELIVERY TIME**  
Warehousing

**REFUND**  
Within 14 days

**DATA PROTECTION**  
Guarantee

\* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

\*\* Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

\*\*\* Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
